In Honor of Darcy Olsen Being Named a 2020 Angels in Adoption Honoree

Ms. Darcy Olsen,

It is with great pleasure that I congratulate you on being named a 2020 Angels in Adoption Honoree. Your work to address the needs of vulnerable children in the adoption and foster care system have and will continue to create immense personal and generational progress. Thanks to you, many more children have a safe and supportive environment to grow up in.

I am proud to see that the generous work you are doing is being highlighted by national voices. Leaders like you are an inspiration, and I hope that this just one of many more awards that you will receive. I wish you the best as you continue to advocate for child welfare reform. It is my honor to be both your friend and a voice for you in the United States Senate.

Sincerely,

Kyrsten Sinema
United States Senator
